the part of the commissary general than the carnest desire to procure the best

possible food for the troops. The court pronounces this act of the commissary

general of subsistence a colossal error

for which there is no palliation."

The court finds that there was neglect

in Cuba and to a less degree in Porto Rico in delivering the refrigerated beef.

"The court," says the report, "does not wish to state the case more strongly

than to say that the finding appears to be warranted that too much time was

consumed in distributing this perishable article. The fault, if any there was, rested with the brigade and higher

commanding officers and their commis-

One good story brings another, and here is one suggested by the return of R L Porthoffer a carrier pigeons, last week Two years or more ago, George Hunter, of Last avenue, bought a pair of carrier pigeons in Albany He kept them in confinement until they had a brood of oungaters, and then, thinking that the nstruct of fatherhood and motherhood would be stronger than the homing in struct, he gave them their liberty. They ose straight in the air, circled around a few times, and then flew off mannerthally direction In about three house they were back in Mr Hunters cote, and a letter from the man in Albany from whom they were purchased, received a day or two afterwards, gave the time of their airival in that city as less than balf an hour trom the time of their re lease from the cote. The letter further said that for a time after reaching their old home the birds seemed periectly contented then they began to show signs of restlessness, and finally, as it unable to stand it any longer, had flown off to the southward. ### "In Union

### There is Strength."

The strength of every human being consists in the union, the harmonious working together, of every part of the human organism. This strength can never be obtained if the blood is impure. The blood goes to all parts. Purify it, or there can be no "union" and therefore no health or "strength."

Hood's Sarsaparilla is the standard prescription for purification of the blood. It never disappoints.

Bad Elood-" I could dance for joy for what Hood's Sarsaparlia did for me in curing those terrible burning sores on my leg. Seven doctors gave up but Hood's cured me. My gratitude is unspeakable."

Thomas Iranarr, 175 Sycamore St., Roslindala Mara

After Fever-"Typhoid lever left my little girl very weak and thin and with no appetite. She is now fat and well and Hood's Sarsaparilla made her so. It cured my husband's rheumatism." Mrs. CLINTON B. COPE, Buckingham Valley, Pa.

Rheumatism—"I had rheumatism for five years and can conscientfously say that Hood's Sarsaparlila has given me entire relief. As a blobd purifier it has helped my children wonderfully." Mas. S. A. Sadar, 83 Franklin Avenue, Passaic, N. J. Malaria - "Exposure in the civil war brought on malaria and its germs have hung around me. developing into sharp neuralgle pains. Hood's Sarsaparilla cured me promptly." Moses W. Emzeson, Photographer, Lowell, Mass.

Grapher, Lowell, Mass.

Ucers in Stormach. "'Medical science is exhausted,' said the doctors. 'We can do no more for those ulcers in your stomach, nor stop the hemorrhages.' I took Hood's Sarsaparlila and is six months was perfectly well. Several years have passed and I am gtill well." Miss Lettle Huntley, 26 tarfield Street, Cortland, N. Y.

N. B. Luter letters tell the same story.

Hip Disease." I had running sores for eight years on my hips. I was confined to my red at times and at others used crutches. Hood's Sarasparilla cured my hip and gave me permanent health." Olli J. Akurar, 139 Ibudley Street, Dayton, Chiu
